to 31-05-2021

The Jalpaiguri Government Engineering College Alumni Association Activities

Period 01-06-2020 to 31-05-2021

A community become successful when it constantly reinvents itself. Pandemic has given us that opportunity to understand our spirit to overcome extreme difficult time with positivity and undivided attitude to face challenges. It was a challenging time for educational system. Jalpaiguri Government Engineering College (JGEC) and its entire fraternity was no exception. Being responsible community, it was responsibility of the Alumni Association (AA) to continue the student centric activities and at the same time extending support to the entire fraternity to face the socio-economic shock. The biggest challenge was to keep the morale high and keep the community happy with valuable activities.

List of activities that had been accomplished for our beloved campus and students during Covid lockdown (between 01-06-2020 to 31-05-2021) are listed below:

1. Industry Meet:

Theme: Technology, Education & Employability Equilibrium for Engineers in Post Covid 2021

Mr. A. R. Dasgupta,
Former Executive Director,
ISP, Steel Authority of
India Limited (SAIL)

Mr. Mitul Ranjan Chakraborty,
Asst. Professor, Electrical Engg.
Siliguri Institute of Technology
(SIT)

4. Covid Response

Since March 2020 lockdown, Alumni members supported the underprivileged families at periphery of campus. Essential goods including blankets for winter provided to these families for 12th times, till 31st May 2021 by using the infrastructure created in under construction Convention Centre, Kanchenjunga.

5. Rainwater Harvesting Prototype

Alumni Association supported to build a prototype of Rainwater Harvesting. The prototype was prepared to showcase JGEC's Green Campaign.

Alumnus contribution to build the Rainwater Harvesting Prototype: Rs 15,000.

6. NAAC Accreditation

Alumni Association took initiative to support NAAC Accreditation process. On 10th February 2021, NAAC Auditor's Team visited campus. Alumni Association members met the NAAC Auditor's Team at under construction Convention Centre, Kanchenjunga and shared JGEC values. NAAC Auditor's Team highly appreciated the AA activities and initiative of building Kanchenjunga.

7. Staying with Our Own JGEC Community

Alumni Association constantly kept itself engaged with JGEC community to support each other in this pandemic situation. Alumni Association was engaged by JGEC authority to create the official video, which is shared with various stakeholders and available at YouTube: <https://youtu.be/9OkOpSgAm0U> .

JGEC students prepared the official video under the leadership of Alumni Association representative. The video was posted at the Youtube on 09-07-2020, to showcase the heritage and values of JGEC.

8. Bonding Alumnus

To collaborate the diamond jubilee, Alumni Association launched about 250 T-shirts with the JGEC and AA logo. Alumnus took it as an opportunity to use the T-shirts to cherish JGEC experience.

9. Kanchenjunga

Ex-students came forward to Build G+2 Convention Center, Kanchenjunga. Buy a Brick is a slogan to showcase the strength of JGEC fraternity.

The most important human part of the Project Kanchenjunga: In this Covid pandemic time, Alumnus of JGEC and Alumni Association has ensured earning of a few daily labours & masons and their families (including plumber and electrician whenever required).

It's all about creating a comprehensive hallmark skill development centre at JGEC, which can make all of us proud. It is part of enhancing Brand JGEC.

Alumnus Contribution for building Kanchenjunga within the period of 01-06-2020 to 31-05-2021: Rs 8.02 lakhs.

The contribution list for Kanchenjunga (Project K) is available at the Alumni Association website: <https://jgecalum.org/kanchenjunga>

To join the initiative for creating a long-term vision for JGEC, please contribute at:

Account Name: Jalpaiguri Govt. Engineering College Alumni Association,
SBI- Current A/C no [31232430610](#),
IFSC- SBIN0007194,
MICR-[735002512](#).

10. Alumni Financial Contribution

Financial contribution by Alumni for various JGEC centric activities:

Scholarship for JGEC Students	3,28,000
Construction of Convention Centre, Kanchenjunga	8,02,611
Rainwater harvesting	15,000
Total	11,45,611

Long way to go.

The irreversible process of connecting alumnus to campus has started which is the biggest takeaway of last ten year's engagement of Alumni Association.
